

Etude de Me Didier O. PRÉTÔT

Avocat au Barreau de Genève
LL.M Tübingen

STATEMENT

I, undersigned, Didier O. Prétôt, born on 26th June 1975, lawyer in Geneva and registered at the Geneva Bar since 2000, hereby formally certify that :

I represent many investors in an English & Wales Company called City Windmills Plc and City Windmills Ltd. Mr. David Mapley is the Chief Executive Officer of both companies. Plc was dissolved on 18th June 2019. This company was headed by Mr. Mapley. He first represented himself as a professional manager, consequently claimed to have discovered irregularities needing him to take care of all activities of the company.

Unfortunately, the CEO of City Windmills PLC, Mr David MAPLEY, failed to inform all shareholders about the progress of the operations of the Company. Moreover, despite many promises on his part in the past, City Windmills Plc never paid any interest on the coupons of the outstanding bonds.

It appears that Mr David MAPLEY has spent all the shareholder's investments since the beginning for personal purposes, travel & expenses and lifestyle. For this reason, we have been urged to introduce on behalf of said clients a criminal complaint against him in Switzerland for misuse of company's goods and/or fraud.

A first complaint was deposited on 14th April 2019 before the General Prosecutor in Geneva (Procureur Général de la République de Genève).

A second one was filled on 22th January 2020 before the General Prosecutors of Cantons Geneva and Valais.

Both proceedings are still pending and will, if needed, keep you informed.

Made in Geneva on the 27th day of March, 2020

Didier O. Prétôt, attorney-at-law
